

Flat Rate “Make Whole”

BLET and the UPRR have negotiated a “Flat Rate Make Whole” rate for all pools in Salem with trip rates. These will apply for any instance where you are held from your job i.e. Rules Class.

These are currently listed under “Non-Service” in CMTS. In an instance such as rules class please select a “Non-Service” claim in CMTS and find the “Make Whole” claim, select and enter remarks listed in Superintendents Bulletin No. 9 Section “F”.

The image shows a screenshot of a software interface titled "Class Of Time". It contains a list of radio button options, each with a code and a description. The option "6D ZC252 RE26 MAKE WHOLE" is highlighted in yellow. Two dark teal arrows point towards this option from the left and right sides of the screen.
