

Inward Facing Camera Claim

Claim 1 day's pay at the applicable rate for being required to operate a locomotive equipped with an inward-facing camera installed and intended to make a video record of in-cab crew activity, and thereby being subjected to the creation of such video record. I operated train (ZXXYY-22) with locomotive (UP 1234) from (circ-7 to circ7) on (date(s) 3/4/15-3/5/15) Installation of these cameras is a violation of Article XVII Section 3 of the May 19, 1986 Arbitration Award 458.

Please file claim under xx-claim not found. Print out timeslip once denied along with copy of working trainslip showing engine numbers and turn into Local Chairman.
